The Last Carter County Car Club Cruise In - Down Town Elizabethton - Trunk or Treat

Trunk or treat was amazing. These are photos of Tanner and I from the last Carter County Car Club Cruise In. More photos will be available in the JoePearce.com Gallery soon, and on Facebook. We greatly appreciate those that came to hand out candy and appreciate all of the attendees that brought their families to participate. The Carter County Elizabethton Car Club is a totally charitable organization that fully supports only children's charities to help ensure the children of our community have some help when needed. It is a great group of people helping great causes, doing it for God, the lord being our greatest champion. Praise his name.

It was amazing to see the overall turnout of visitors to the Trunk or Treat event. The weather was cold and rain was coming down, but people still attended. The day had been a bad weather day overall, but people still brought their families so the children could dressup and particiapte in this great event. For some families, this is the only opportunity these children have to trick or treat and feel safe. Also, it is one central place, close by for many, thus this event helps with saving gas and other wear and tear on their vehicles. We were so glad to see the great turn out, and can't wait until next year. See you in the Spring.
