Elizabethton - Frazier Fir Lighting

Submitted by Joe Pearce on Sat, 11/24/2018 - 11:13pm

An annual tradition for those that live in the communities of Carter County or the city of Elizabethton. We had a chance to attend this year, so we were not passing it up. We were able to network with many of our friends, discuss politics, and discuss things that are important to the county, while bringing in the holiday cheer. Our little city is beautiful, and we love our home town.
