Links

Technical Links

Unix/Linux Help Links [1] - Lots of cool little tidbits about UNIX and Linux

Social Networking

My Facebook Page [2] - This is where all my friends hang out.

My LinkedIn Page [3] - A great place to post information about you as a potential employee.

My Twitter Page [4] - I love to use it when I want to quickly post something to my friends.

Photos

Gallery [5] - Some of my photos. I will be adding more as I have time. NOTE: This site was built using Gallery which no longer functions with the PHP version installed on this server. The page will not load. I will be updating with another photo sharing app soon.

Genealogy

Genealogy [6] - Family tree research.

Jo Ann Pearce [7]- Obituary

Services

Copyright 2000-2025

User EMail [8] - User email login

FTP [9] [10]- File transfer by FTP download site. NOTE: This link is currently configured with an "about;blank" URL in order for the FTP site to be disabled. I will enable again when needed.

Contact Information [11] - Lists contact information for Joe Pearce

Training

Windows Servers Training - Mark Minasi [12]

DNS Training [13]
